An easy read resource about  
**BRILLIANT** and how to apply

# About BRILLIANT

BRILLIANT is a project which will pay successful applicants to make new artwork. Applicants is a word for people who apply.

We want people to apply with their best idea for an artwork that uses light.

The best ideas will get made and exhibited as part of the Lumiere light festival in Durham in November 2021.

We will pay successful applicants **£1000**. Successful applicants will also get up to **£7000** towards making and displaying their artwork.

You would also get help from staff at Artichoke.

Artichoke are the company organising this project and the Lumiere light festival.

# What we are looking for

We are looking for ideas for artworks that use **light** in a creative way.

We don't set a theme for BRILLIANT. To give you some inspiration, your idea could be about:

- ✓ Something that is important to you
- ✓ Durham's unique history, people, stories or places
- ✓ Something you think would look amazing
- ✓ Something that reveals a familiar place or everyday object in a different way

You can also look at our BRILLIANT archive to get inspiration.

You do not need a place in Durham in mind to make an application. We can help you find one.

## Who can apply

**18+**

You must be an adult to apply. This means you are 18 years old or older.

You don't need to be a professional artist or have previous experience to apply.

You just need a brilliant idea!

You must be currently living in the UK to apply.

## Who can't apply

We cannot accept applications from previous BRILLIANT winners.

# Rules

1

You can only submit 1 application. We will consider your first application only.

If you have applied to BRILLIANT before but have been unsuccessful you can only apply with a new idea.

You cannot change your application once it has been sent to us.

The first showing of your artwork must be at Lumiere 2021. This means that the first time anyone can see the finished artwork is at Lumiere 2021.

You must be available to attend meetings and site visits to work on your art idea (dates will be discussed with you in advance).

You will need to sign a contract with Artichoke to agree the budget and idea.

You need to help Artichoke staff to install your artwork and take it down.

You need to help Artichoke to promote your artwork and the BRILLIANT project. This might mean giving interviews to the press.

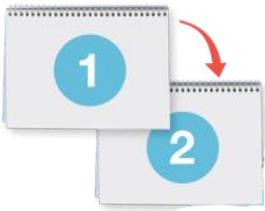

The copyright and intellectual property of your artwork will belong to you.

If successful, when exhibiting your artwork after Lumiere 2021, you must acknowledge it was commissioned by Artichoke for Lumiere 2021 in Durham.
